

License Terms for Microsoft Products

This document governs the use of Microsoft software, which may include associated software, media, printed materials, and “online” or electronic documentation (individually and collectively, “Products”) provided by Cloudlayer8 Limited (hereinafter referred to as “CL8”). CL8 does not own the Products and the use thereof is subject to certain rights and limitations of which CL8 must inform you. Your right to use the Products is subject to the terms of your agreement with CL8, and to your understanding of, compliance with, and consent to the following terms and conditions, which CL8 does not have authority to vary, alter, or amend.

1. DEFINITIONS.

“Client Software” means software that is installed on a Device that allows the Device to access or utilize the Products.

“Device” means each of a computer, workstation, terminal, handheld PC, pager, telephone, personal digital assistant, “smart phone,” server or any other hardware where software can be installed that would allow End User to interact with the Product.

“End User” means an individual or legal entity that obtains Software Services directly from CL8, or indirectly through a Software Services Reseller.

“Redistribution Software” means the software described in Paragraph 4 (“Use of Redistribution Software”) below.

“Software Services” means services that CL8 provides to you that make available, display, run, access, or otherwise interact, directly or indirectly, with the Products. CL8 must provide these services from data center(s) through the Internet, a telephone network or a private network, on a rental, subscription or services basis, whether or not CL8 receives a fee. Software Services exclude any services involving installation of a Product directly on any End User device to permit an End User to interact with the Product.

2. OWNERSHIP OF PRODUCTS.

The Products are licensed to CL8 from an affiliate of the Microsoft Corporation (collectively “Microsoft”). Microsoft Products are protected by copyright and other intellectual property rights. Products and other Product elements including but not limited to any images, photographs, animations, video, audio, music, text and “applets” incorporated into the Products are owned by Microsoft or its suppliers. You may not remove, modify or obscure any copyright trademark or other proprietary rights notices that are contained in or on the Products. The Products are protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. Your possession, access, or use of the Products does not transfer any ownership of the Products or any intellectual property rights to you.

3. USE OF CLIENT SOFTWARE.

You may use the Client Software installed on your Devices only in accordance with your agreement with CL8 and the terms under this document, and only in connection with the

Public

4. USE OF REDISTRIBUTION SOFTWARE.

In connection with the Software Services provided to you by CL8, you may have access to certain “sample,” “redistributable” and/or software development software code and tools (individually and collectively “Redistribution Software”). You may use, copy and/or install the Redistribution Software only in accordance with the terms of your agreement with CL8 and this document and/or your agreement with CL8.

5. COPIES.

You may not make any copies of the Products; provided, however, that you may (a) make one copy of Client Software on your Device as expressly authorized by CL8; and (b) you may make copies of certain Redistribution Software in accordance with Paragraph 4 (Use of Redistribution Software). You must erase or destroy all such Client Software and/or Redistribution Software upon termination or cancellation of your agreement with CL8, upon notice from CL8 or upon transfer of your Device to another person or entity, whichever occurs first. You may not copy any printed materials accompanying the Products.

6. LIMITATIONS ON REVERSE ENGINEERING, DECOMPILATION AND DISASSEMBLY.

You may not reverse engineer, decompile, or disassemble the Products, except and only to the extent that applicable law, notwithstanding this limitation, expressly permits such activity.

7. NO RENTAL.

You may not rent, lease, lend, pledge, or directly or indirectly transfer or distribute the Products to any third party, and may not permit any third party to have access to and/or use the functionality of the Products except for the sole purpose of accessing the functionality of the Products in the form of Software Services in accordance with the terms of this agreement and any agreement between you and CL8.

8. TERMINATION.

Without prejudice to any other rights, CL8 may terminate your rights to use the Products if you fail to comply with these terms and conditions. In the event of termination or cancellation of your agreement with CL8 or CL8’s agreement with Microsoft under which the Products are licensed, you must stop using and/or accessing the Products, and destroy all copies of the Products and all of their component parts within thirty (30) days of the termination of your agreement with CL8.
