

Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie	Name	Purpose	More information
PHP	PHPSESSID	PHP user session id	This cookie is used for managing user session on the Website
cookie_policy	viewed_cookie_policy	To the cookie policy popup	Sets a value wherever the user has agreed to the cookie policy popup
security	incap_ses_{Proxy-ID}_{Site-ID} / visid_incap_{Site-ID}	These Cookies improve performance and security on the website.	
wordpress	wordpress_test_cookie	It is used to test if cookies are enabled	
	wp-settings-{time}-	Used to enhance our user experience	This is used to

	[UID]		customize your view of admin interface, and possibly also the main site interface.
Google analytics	__utma	It is used to calculate new and returning visitor statistics. It is used by Google Webmaster and Analytics	
	__utmb	It counts the duration of a session/visit of a user.	
	__utmc		
	__utmt	It is used to throttle request rate	
	__utmz	Used to collect information anonymously about how visitors use the site	
	_ga	Used to distinguish users.	
	_b	Cookie for contents sharing	
whmcs	WHMCSUID/WHM CSPW	These 2 cookies are used for the remember me functionality of the client area.	They only get set should a client choose to have their details remembered so they don't have to re-login every time they visit your website.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Except for essential cookies, all cookies will expire after thirty (30) days.
